Disability/Special Needs Students:

The College welcomes applications from students with special needs and is willing to help in whatever way possible. However, we need to have full information and would ask that you write to the Administrator outlining the nature of the disability.

Please tick this box to alert us that you have reported a disability

Convictions:

Do you have any criminal convictions? Yes No

The College has a duty of care to all its students and staff and therefore must know about any relevant convictions that an applicant has. Relevant criminal convictions are only those convictions for offences against the person, whether of a violent or sexual nature, and convictions for offences involving unlawfully supplying controlled drugs or substances where the conviction concerns commercial drug dealing or trafficking. Convictions that are spent (as defined by the Rehabilitation of Offenders Act 1974 or the Rehabilitation of Offenders Order (NI 1978)) are not considered to be relevant and you should not reveal them.

If you have ticked 'Yes', please supply details on a separate sheet.

If you have not been convicted of a criminal offence you must tick the 'No' box.

I agree to pay promptly all tuition and amenities fees due during the course of my studies and to adopt the general standards of behaviour expected within the college precincts. (A current fee summary is obtainable on request from the College Secretary)
