It has been created for those who are interested in caring for people compassionately or for those looking for ways to develop and reflect current practice and learn from others.

We care for each other because God cares for us, it’s a care that looks deeper than the immediate circumstances of a person’s life and reminds that person that they are a child of God created in and for relationship.

This day will also include an unique awareness raising session and resources about domestic abuse, this will enable churches to be recognised as a ‘Safe Place.’

This course is open to all who desire to learn more about this ministry so they can pastorally care for those God places in their life.

18th January 2020 - Ballynahinch Methodist
